Thank you Bill,

I will inquire with all departments as to any revisions or comments they may want to make on the community Involvement Plan.

I should have something by Friday or at the latest Monday for you.

Patty Lent, Mayor
City of Bremerton

Hi Mayor Lent-

Attached is a copy of our response to the April 4 letter we received from Natacha Sesko. As you will see, we simply thank her for the information she provided and let her know that we will take it into consideration as we assess historic practices at the site. The letter was mailed from our office on Friday April 12.

We did not copy you directly on the letter, as you were not copied on Ms. Sesko's letter.
Let me know if you have any questions.

Also, I was wondering if you could let me know if we should be expecting any comments from the City on our Community Involvement Plan? We are interested in making revisions to it soon so that we can make it available to the general public.

Thanks.
